Welcome and Announcements

Call to Worship:

In the midst of the needs that we identify in this world and out of abundance that God provides for us,

We are thankful to be a people encouraged and blessed.

In this moment of quiet reflection and prayer and within a world of challenge and confusion,

We seek to be a people nurtured and restored.

In this day of renewal and re-creation and within this age of new vision and remembered dreams,

We look forward to being a people of spirit, now and always.

Come let us worship with the encouragement of the Spirit.

Opening Prayer:

Loving God, as we join together to worship you today, please help us to know your presence. Sing your joy in us; sing your comfort in us. Ring out your peace, your love, your mercy and justice in us. May your voice resonate through our bodies, our spirits and our lives. Birth in us life, new life, abundant life, and equip us to share that life and love with the world you so love. Amen.
