Hymn # 299 "Teach Me, God, to Wonder"

Call to Worship:

God has made everything, **and it is good.**

God created the sky, the earth, and the seas, **and it is good.**

God created night and day, and the four seasons of our year,
and it is good.

God created plants and trees for nourishment and shelter,
and it is good.

God created creatures of the seas & birds & insects of the skies,
and animals and humans to walk His great earth.

God saw everything that He had made and it was very good!

God even sent us his own beloved Son, Jesus Christ,

and through Him, we are trying to do His will.

Opening Prayer:

**God on high, hear our prayers: in our needs you have
always been there. You can take; you can give;
through Jesus Christ we will live.**

Bring him now to hear our prayers:

for our needs he will always be there.

Let us live! Let us live! In God's service we will give. Amen.
