Lighting the Christ Candle:

Sometimes we feel like we are wandering in a poorly lit space.

**At other times we may feel worried
about whether it is safe or wise to take a step.**

A little bit of light can be a blessing and help us find our way.

**We can pass on the light, and help someone else,
and be a blessing to them.**

Even as we have ourselves been blessed.

****Hymn # 222 "Come, Let Us Sing"***

Call to Worship:

We look for God on sunlit fields
and in swirling autumn leaves.

God is everywhere.

We look for God on windy autumn days
and in the starry night sky.

God is everywhere.

We look for God across our dinner tables
and across the world.

God is everywhere.

We look for God in happy times and sad times,
in war and in peace, when things change
and when things stay the same.

God is everywhere.

Opening Prayer:

Holy Wisdom, Light of Lights, Giver of Hope,

**as we move towards a new season,
we open ourselves to new life,
new energy, new purpose.**

**We long for the gifts of compassion,
of caring community,
in our everyday struggles
and in the troubles of our world.**

**Together may we find and share
the life, love, and peace we need.**

**May your Spirit fill us to the brim with zeal,
imagination, and gusto.**

**May we read the signs of the times and discern our
special gift, our special calling, our special opportunity
to do a new thing in our church and community,
for joy for one another and the joy of your beloved world.
Amen.**
