Hymn # 274 "Your Hand, O God, Has Guided"

Call to Worship:

It is good to gather with friends
who know and accept us as people of faith.
It is good to gather with friends
who seek the meaning and purpose of life.
It is good to gather with friends
who wish to make a difference in our world.
Friends, let us worship!

Opening Prayer:

All-knowing God, you know everything about us but love us just the same. We judge one another, while you do not judge us. Help us to know that you are always with us, that you are the One who comes alongside us, cares for us, and comforts us. May we also be the ones who come alongside, care for, and comfort those around us. As we begin this time of worship, we think of those in our lives who need encouragement and comfort (a time of silent naming). We commit them to your care, knowing that our prayers will be answered in your time and in the best way possible for us, a way that only you can know. Amen.
