Call to Worship:

Nothing can separate you from the love of God:
not distress or disaster,
not disapproval or disappointment.

Today we celebrate this love and give God praise.

Today we join our hearts and voices in worship.

****Hymn # 820 "Make A Joyful Noise"***

Opening Prayer:

Gracious God, you call us from many places and circumstances,
and invite us to follow you. We come now to worship from many
different life situations. We come to be open to your Word,
surprised by your grace, and humbled by your forgiveness.
Call us out of ourselves and our concerns, even for this hour,
so that we may be transformed by your grace. Amen.

Thank you so very much for your continued support!

Flowers in the sanctuary are placed today in
loving memory of ***Ellen Maybee***, by her sister,
Irene East and family.

Also, today is the 77th anniversary of a terrible
ship disaster, which Ellen survived
and never forgot.
