Call to Worship:

This is the day that God has made.

Let us rejoice and be glad in it.

Today we gather to celebrate and pray for Christian Unity.

We join our spirits in prayer, in song, in praise.

As siblings, sisters, and brothers in faith,
let us glorify God as we worship together.

****Hymn # 312 "Praise with Joy the World's Creator"***

Opening Prayer:

Gracious God, as fear tightens its grip on some,
while others ignore all advice about caring for one another,
as we fight an enemy that we cannot always recognize,
open us to the needs of others, even when, especially when,
those others have a different way of life, a different creed,
or different politics. Help us to understand the whole world
as the community you ask us to love. May we receive the help
we need from your Spirit to overcome barriers and embrace a
common humanity for the healing of your beloved world. Amen.
