Call to Worship:

To wake in the morning is to accept God's gift of another day.

To get out of bed is to accept God's invitation to live fully and well.

To move in Creation is to commit to its care.

To pause for times of prayer is to deepen our communion with God and with our deepest and best selves.

Each new day affords opportunities to help others and to care for the world.

May our worship today encourage us and bring us gratitude for the life God has given us.

Come and let us worship God.

****Hymn # 401 "Worship the Lord"***

Opening Prayer:

Creator God, we gather here to worship, to reflect on your Creation, to listen to the teachings of Jesus, and to experience a renewed energy of the Spirit.

We raise our spirits in prayer and praise for your abundant grace. Amen.

***Hymn "Shine, Jesus, Shine"**

Lord, the light of your love is shining

In the midst of the darkness, shining

Jesus, Light of the world, shine upon us

Set us free by the truth you now bring us

Shine on me, shine on me

Refrain: Shine, Jesus, shine

Fill this land with the Maker's glory

Blaze, Spirit, blaze. Set our hearts on fire

Flow, river, flow

Flood the nations with grace and mercy

Send forth your word

Lord, and let there be light

Lord, I come to your awesome presence

From the shadows into your radiance

By your love I may enter your brightness

Search me, try me, consume all my darkness

Shine on me, shine on me R

As we gaze on your kingly brightness

So our faces display your likeness

Ever changing from glory to glory

Mirrored here may our lives tell your story

Shine on me, shine on me R
