Welcome and Announcements/Land Acknowledgement

Call to Worship:

On this glorious summer's day, we worship the One who created all that is. Some here have joy in their hearts, others hearts of sadness; yet there is room for all in the shelter of God's healing wing. As we worship, may each of us be healed and blessed as needed. May each of us experience the wonder of the risen Christ. Come, let us worship.

Opening Prayer:

**Here, in this place, we come seeking you, O God.
We know you are here. We believe you are here.
We do not understand all of your wonders,
yet we trust in you.
We trust that you will lead us to our purpose,
for you are the way.
As each of us is whisked into the dance
with the Spirit, we dance with you,
in step with you, each in our own way,
met where we are with truth and love,
met with grace.
What a wondrous way to live!
The life of the Divine, the work of Jesus,
the movement of the Spirit;
all choreographed into us, with us, through us.
Thanks be to God!**
